

Technician Footwear Policy

Startin Group as a company offer to make a contribution of £35 towards the cost of suitable footwear required to wear while working within the workshop environment.

Suitable footwear should be in the form of a work boot with steel toe caps.

Upon purchase of the footwear, the receipt should be given to your site administrator or line manager who will be able to arrange to reimburse you up to the value of £35. This can either be via petty cash or payment request form via our accounts department.

All payments will need to be signed of by the Head Of Business.
