

Eye Care Policy

Startin Group as a company offer to make a contribution of £30 towards the cost of an eye test every 2 years for all employees.

A suitable eye test should be completely routinely especially when computer use is daily. A specialist opticians will be able to perform an eye test with an appropriate appointment made in advance.

Upon completion of an eye test, you will need to provide the receipt.

If you require prescription glasses or contact lenses solely for the use with a VDU (Computer screen) which is a major part of your role then Startin Group will make a contribution of £50 towards the cost of 1 pair of glasses required to perform your task (general wear use glasses excluded). You will need to provide a prescription stating the use of the glasses are for the sole use of a VDU from your opticians, along with your receipt for the glasses purchased.

Payments will need to be signed off by the Head of Business and either reimbursed via petty cash on site or a payment request via our accounts department direct into your bank account.
